Navigation intervention, patient navigation...

EU NAVIGATE: Navigation intervention

Nav-CARE

Making Connections, Making a Difference

- Person- and family centred
- Quality of life, social support, ...
- Identify multidimensional needs
- Help navigate the system
- Psychosocial support
- **What is most important to you?**

Older people with cancer and family carers

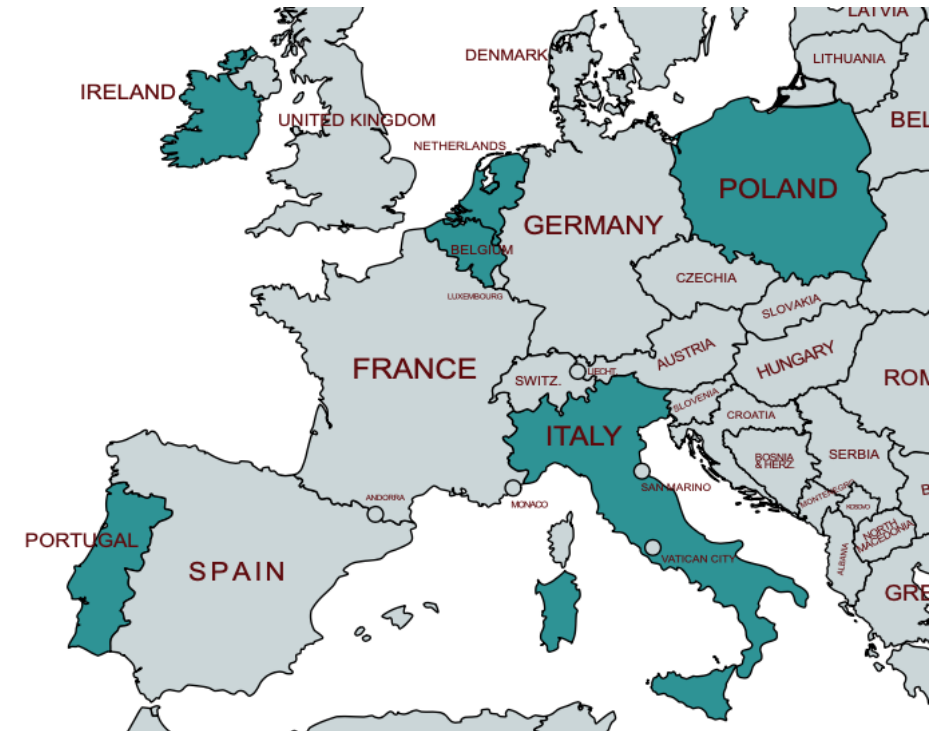

Nav-CARE

Making Connections, Making a Difference

NavCare-EU

EU Navigate

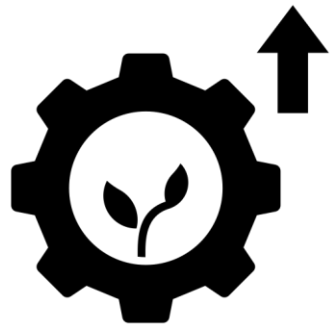

Supporting older people with cancer

Tangible actions at EU level

Quantitative and qualitative evidence on its **effectiveness** and **cost-effectiveness** for older people with cancer and their family carers, with additional focus on various **subgroups**

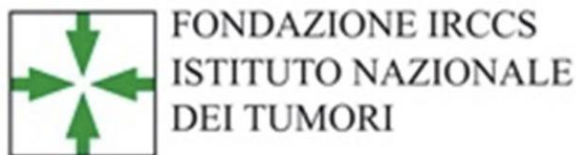

- Continuity of care
- Continuum of supportive, palliative, and end-of-life care
- Community setting

Sustainability and collaborative efforts within the project and with other relevant EU research projects
